We received another "potential hate crime" matter from another member of our Multi-Cultural Advisory Committee (MCAC). A one-page letter entitled "Attention Muslim Scum" was left at the Islamic Society of Corona Mosque this past Saturday, October 7, 2006. ADIC Tidwell was given the letter by [REDACTED] of the Islamic Shura Council. ADIC Tidwell has requested that LAFO (your squad) follow-up on the matter with [REDACTED] Islamic Society of Corona at (714) 493-1224.

Please give me a call upon receipt of this e-mail and I will fax over to you the one-page letter and forward the hard copy of the letter to you via burlmail. Please keep me abreast of developments.
Thanks [REDACTED]
